

SALVADOR FOUNDATION PARTNERSHIP WITH KILLARD HOUSE SCHOOL

2019 - 2024

The Salvador Foundation is committed to serving God by bringing together people from all walks of life for the common cause of helping our fellow man. We, as the body of Christ, have a responsibility to care for those in need. By helping and enabling people one project at a time, our goal is to share encouragement, hope and faith.

About Killard House School

Killard House School

Killard House School--located in Donaghadee, Northern Ireland--works collaboratively and creatively to enable a meaningful, purposeful and personalized learning journey that fosters curiosity, independence and achievement in each learner.

The school provides a broad curriculum that will enable the pupils to develop individual skills and abilities to the highest level possible.

Individual Education Plans and planned learning experiences place emphasis on the development of communication, social, life, vocational and leisure skills and make full use of the Northern Ireland Curriculum. Pupils are valued, encouraged and supported to acquire new knowledge and skills and to strive to be the very best that they can be.

Our History with Killard House School

The Salvador Foundation began working with Killard House School in 2019.

Over the past 4 years, some of our projects include:

- Funding 1:1 technology during 2020 so each student had their own tablet, which was particularly important during Covid-19 shutdowns and remains key to not only limiting the spread of germs but allowing students who are non-verbal to have a way to communicate with teachers.
- Initial idea development and planning for programs that train older students to become more self-sufficient with the following skills:
 - Learning how to take public transportation
 - Learning how to stay physically healthy as an independent adult by going to public gyms
 - Learning to use cell phones and specific apps to make self-sufficiency easier
 - Safe bike riding and bike maintenance skills
 - Basic cooking skills
