

SALVADOR FOUNDATION PARTNERSHIP WITH CAMP FIREFLY

2010 - 2024

The Salvador Foundation is committed to serving God by bringing together people from all walks of life for the common cause of helping our fellow man. We, as the body of Christ, have a responsibility to care for those in need. By helping and enabling people one project at a time, our goal is to share encouragement, hope and faith.

About Camp Firefly

Camp Firefly

Camp Firefly is a very special, unique experience for terminally and seriously ill children and their families. This all expenses paid, fun-filled, week-long retreat gives struggling families time to get away from the everyday pressure of hospitals, medical treatments, and financial worries to spend quality time with one another, meet other families who understand their challenges, and replenish their supply of faith and friendships.

Camp Firefly is designed to bring laughter back into the lives of burdened families. For husbands to see their wives as the sweetheart they married. For wives to fall in love with their husbands again. For kids from all the families, sick and well, to have fun and connect with each other, finding hope for the future by drawing strength from God and one another.

Our History with Camp Firefly

The Salvador Foundation began working with Hearts in Action as a non-operating foundation in 2010 and switched to an operating agreement in 2018.

Over the past 14 years, some of our involvement includes:

- Assist in administering the one-week camp; collaborate with designing positive experiential programs, counseling programs, and activities
- Two Salvador Foundation board members participate as counselors at the camp each year
 - Chaperoning family to acquaint them with their cottage and camp facilities
 - Assisting campers during all activities including transportation needs and attending meals
 - Daily staff meetings to discuss any specific needs (emotional or physical) of each camper
 - Watching children as needed to give parents a chance to relax and connect with each other
